MEMORANDUM FOR: [] Office of General Counsel

FROM: []
NON-FOIA Litigation Officer
DDO/IMS/FPLG

SUBJECT: CDDO Review of DOJ/OSI's Draft Report on the
Klaus Barbie Investigation

1. On 29 July 1983, we forwarded to you the DO's first classification review and recommendations on the CIA portion of DOJ/OSI's final draft report concerning the Barbie investigation. For the record, the pages of that report which we reviewed, sanitized and/or rewrote were pages 62, 65, 156, 166, 168, 169, 170, 177, 178 and 179. To allow Mr. Ryan, DOJ/OSI, time to review our recommendations prior to our scheduled meeting on Monday, 1 August, you forwarded a copy of these ten pages to him on the afternoon 29 July via OGC 83-06156.

2. As a result of our meeting with Mr. Ryan on 1 August, we (CIA and DOJ/OSI) reached agreements on the sanitizations/recommendations on all of the above noted pages with the exception of the information concerning Mr. Ryan's interview of a Bolivian official recorded on pages 168 and 169. After some discussion re CIA's concerns vis-a-vis his concerns, Mr. Ryan was advised that we would re-review this information and recommend another version which hopefully would be mutually acceptable.

3. After further review, we requested that the information on pages 168 and 169, with some rewording, be placed at the end of sub-paragraph B, page 180, Section V. At our suggestion on 1 August, you coordinated this request with Mr. Ryan who agreed that our recommended changes were acceptable.

4. Attached herewith is a redacted version of the information described in paragraph 3, above, which can be forwarded to Mr. Ryan. This concludes our review and coordination of CIA's information contained in the DOJ/OSI's investigation report concerning Klaus Barbie.
